

July 16, 2008

Registration is now open for classes beginning August 18, 2008!

- **Continuing Ballet Society students:** Enclosed schedules have been highlighted to indicate your student's recommended class placement. If you have questions regarding other class options, please call or inquire at the time you register. **If you are new to Ballet Society,** please speak to the Registrar or Directors about your class placement. A new student's first class also serves as a placement class.
- **To register, complete a Registration Form and Policy Agreement and submit these with your first tuition payment.** Many classes will fill up quickly, so it is important to complete the registration process as soon as possible in order to secure your class placement. Once classes are full, you will be advised into an alternative class or put on a waiting list.
- **Tuition** is determined by class hours per week and will be calculated by the Registrar. A yearly Registration Fee of \$25 per student or \$35 per family is due at the time of registration.
- **Level Requirements and Student Placement** *Unlike yearly school progression, Dance Levels typically require 1-3 years to complete. Student placement for all classes is based primarily on ability and experience. Students are placed at the discretion of school directors/teachers.*

All classes meet 1x per week except those designated below.

Ballet II, III, III B and C w/pointe: 2x a week attendance requirement.

Ballet D and IV: 3x a week attendance requirement.

Ballet V, VI, VII and VIII: 4x a week attendance requirement.

Colorado's Classical Youth Ballet and Worship Dance Ensemble members have additional attendance requirements. Please inquire at the front desk for further information.

- **Dress Code:** Please carefully look over the Dress Code for your fall classes on the BSCS Policies sheet. The dress code will be strictly enforced. For your dancewear needs, Assemble Dancewear's phone # is: 719.596.8443.
- **Performance Fees:** Because so many of our dancers enjoy performing in multiple productions, it has become necessary for us to make a modest increase in our Performance Fee; there is now an additional \$25 fee per student performing in more than one end of year production. (These fees are due with your October tuition payment.)
- **New this season at BSCS Worship Dance Ensemble for dancers in Ballet levels II - VIII.** *Details coming soon!*
- **Upcoming Events:** *Call to register or for more information, 719.272.7078.*
